

## Tips & Techniques

- Emerald Green Envision Glaze is ideal for use on our **Lighted Christmas Tree**. The unique properties of this glaze provide highlights and low lights on the tree when three even coats are applied.
- No clear overglaze is necessary.
- Envision Glaze is nontoxic and **food-safe**.
- This glaze works in perfect harmony with other Duncan glazes and underglazes for dramatic results.
- Envision Glaze has a **creamy** consistency for excellent brushability.
