3. Paint the inside with 3 coats of Sunflower Yellow. Let dry.
4. Paint the Anchor tag-along with 3 coats of Bright Sapphire. Let dry.
5. Dip each piece in Pure Brilliance and fire to Cone 06.
6. Once fired, use E-6000 Adhesive to attach the Anchor tag-along the center of the vase. Use tape to keep the tag-along in place until the adhesive has completely dried.
