INSTRUCTIONS

1. Lightly wipe ware with a damp sponge to prepare surface for painting.
2. Use 2 long strips of $\frac{3}{4}$ " art tape to divide the server into four equal sections.
3. In the center of the server, use the art tape to mask a large square. Use scissors to create crisp corners.
4. Adhere $\frac{3}{4}$ " Diamond Stickers to the top left section. Adhere $\frac{3}{4}$ " Heart Stickers to the bottom left section. Adhere $\frac{3}{4}$ " Star Stickers to the top right section. Adhere $\frac{3}{4}$ " Circle Stickers to the bottom right section.
5. Paint the top left section with 3 coats of Bright Delft. Paint the bottom left section with 3 coats of Light Scarlet. Paint the top right section with 3 coats of Dark Purple. Paint the bottom right section with 3 coats of Light Sapphire.
6. Allow paint to dry completely, then gently remove art tape and each sticker using a small pin. If needed, use the tapered end of a paintbrush to touch up any any edges.
7. Using a Square Shader brush and 1 coat of Sunflower Yellow, paint dashes along the border of the center square and along each dividing section line.
8. In the center of the server, use a fine tip sharpie to sketch a large letter initial of your choice. Trace over the initial using a detail brush and 3 coats of Light Taupe. Let dry.
9. Centered over the large initial, sketch out the family name of your choice. Using a detail brush and Dark Black, trace over each letter. Let dry.
10. Use 3 coats of Sunflower Yellow to paint the bottom surface of the server. Let dry.
11. Dip in Pure Brilliance and fire to Cone 06.
