4. Near top edge of plate, paint a stripe with 3 coats of Chartreuse, and below it another stripe with Apricot Stone. If desired, use painter's tape to achieve crisp, straight edges.

6. Directly beneath banner, paint across plate a string of Pumpkin Head dots. Between each dot, paint smaller Sunny Tuscany dots.
7. Directly beneath string of dots, paint across plate a row of vertical stripes. Paint the stripes using a combination of Sunny Tuscany, Apricot Stone, Pumpkin Head, Cupcake, Golden Pinkini, Mermaid's Song, Limelicious, and Arazmatazz.
8. Directly beneath vertical stripes, paint a thick stripe with 3 coats of Chartreuse.
