INSTRUCTIONS

1. Lightly wipe ware with a damp sponge to prepare surface for painting.
2. Cut out the provided template design and a piece of Saral Transfer Paper of the same size.

3. In the center of plate, place the Saral Transfer Paper sheet - red side down - with the template design on top. Trace over the design with a pen, then remove template and Saral paper to reveal transferred design.

4. Paint the wing on each bird with 3 coats of Light Blue Spruce.

5. Paint the each bird body with 3 coats of Bright Caribbean.

6. Paint the tail feathers on each bird with 3 coats of Bright Sapphire. With the same color and detail brush, add dots around each wing.

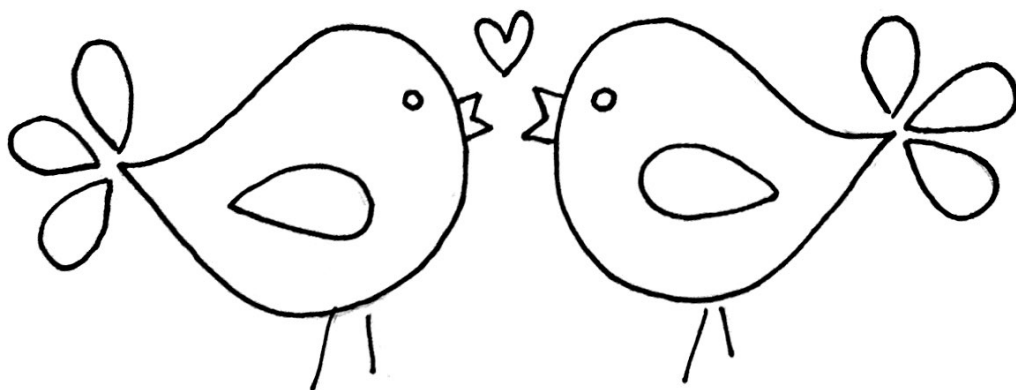

7. With a detail brush and Dark Black, paint each bird leg. Use the same color and brush to paint each bird's beak and eye.

8. Paint a small heart in between the two birds with a detail brush and Really Red.

9. Use Paint Dotters and Really Red to add polka dots to the plate rim.

10. Below the two birds, use a water-based marker to sketch "Love Birds." If desired, customize the plate with names of your choice. Trace over each letter with a detail brush and Dark Black. Let dry.

11. Dip in Pure Brilliance and fire to Cone 06.
