INSTRUCTIONS

Both Mugs: 1. Lightly wipe ware with a damp sponge to prepare surface for painting.

2. Cut out each printed template and a piece of Saral Transfer Paper of similar size. Position the sheets of Saral paper - red side facing down - on each respective mug surface with the printed template positioned on top. Secure the transfer paper and template in place with 3/4" Art Tape.

3. Use a pen to trace each template design. Once traced, remove the sheet of Saral paper and template to reveal the transferred design.

4. Using a detail brush and 2-3 coats of Dark Black, fill in each character silhouette shape. Let dry.

5. Paint the handle of each mug with 3 coats of Dark Black.

Princess Leia Mug : 1. Use a detail brush and 3 coats of Fruit Punch to fill in the "I Love You" block letters.

2. Paint the mug inside with 3 coats of Fruit Punch. Let dry.

Han Solo Mug : 1. Use a detail brush and 3 coats of Neon Blue to fill in the "I Know" block letters.

2. Paint the mug inside with 3 coats of Neon Blue. Let dry.

Once complete, dip each mug in Pure Brilliance and fire to Cone 06.
