## **INSTRUCTIONS**

1. Lightly wipe ware with a damp sponge to prepare surface for painting.
2. Mask a large square towards the bottom half of the plaque with strips of 3/4" Art Tape. Create straight edges with scissors.
3. Use a small to medium-sized paint dotter and 3 coats of Light Pink to create the polka dot background. Let dry. Once dry, remove the Art Tape from the plaque surface.
4. Near the top center of the plaque, sketch a large heart with a swirling string line extending from each side of the heart.
5. Use a detail brush and 3 coats of Dark Honeysuckle to trace over each swirling string.
6. Fill in the heart shape with 3 coats of Fruit Punch. Let dry.
7. Once dry, add Pure White dots to the heart.
8. Below the heart design, customize the plaque by sketching a saying or phrase of your choice. Trace over the letters with a detail brush and 2-3 coats of Bright Grape. Let dry.
9. Dip the completed project plaque in Pure Brilliance and fire to Cone 06.
10. Once fired, hang the message plaque with wire or string, and enjoy!
