INSTRUCTIONS

1. Lightly wipe ware with a damp sponge to prepare surface for painting.
2. Completely paint 2 drawers with 3 coats of Light Butternut, 2 additional drawers with 3 coats of Light Papaya, and the remaining drawer with 3 coats of Dark Honeysuckle. Let dry.
3. On each drawer surface, use a small round brush and 3 coats of Bright Purple to add simple flower shapes. See sample image for flower placement. Let dry.
4. Add smaller flowers to the existing flower shapes with a detail brush and 2-3 coats of Bright Sapphire. Let dry.
5. Once dry, add a dot to each flower center with Pure White French Dimensions.
6. Use a small round brush and Bright Purple to add small polka dots onto each drawer surface. Let dry.
7. Dip in Pure Brilliance and fire to Cone 06.
