

Sunset Dream

MATERIALS

BC130.8-20 Pale Blue Transparent Buffalo Chips
 BC151-20 Cherry Red Transparent Buffalo Chips
 BC161-20 Yellow Transparent Buffalo Chips
 BC171-20 Orange Transparent Buffalo Chips
 BC533.1-20 Sky Blue Transparent Buffalo Chips
 CF1009F-20 Black Opalescent Frit - Fine
 GBS6-100 6 In. Square Clear Transparent
 ST540 Thinfire Paper

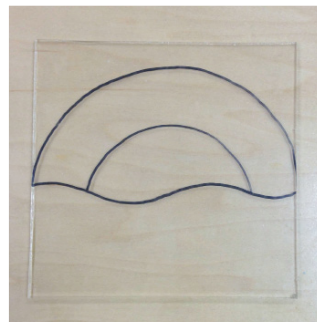

SUPPLIES

Black Sharpie
 Elmer's Clear Glue
 Hairspray
 Silver Sharpie Marker
 Small Paintbrush
 Spoon
 Toothpick

INSTRUCTIONS

1. Sketch a sunset design onto the glass.
2. Fill in the bottom ocean area of the design with an assortment of transparent blue Buffalo Chips. As you work, secure glass components with pinpoints of Elmer's Clear Glue.
3. Fill in the sun portion of the design with Yellow Transparent Buffalo Chips.
4. Fill in the upper sky portion of the design with an assortment of Orange Transparent and Cherry Red Transparent Buffalo Chips.
5. Use a spoon to fill in the areas between chips with fine Black Opal Frit. Brush off excess frit with a small paintbrush.
6. Spritz project with hairspray to secure frit.
7. Write the camper's name with a Silver Sharpie on the Thinfire Paper. Position completed project on the Thinfire and transfer to kiln. Full fuse using the provided firing schedule:

Seg:	Ramp	Temp	Hold
1	300	1000	.30
2	350	1465	.15
3	9999	1050	.60
4	280	800	.10

Materials Guide

BC130.8-20 – .5 oz. yields 40 projects
 BC151-20 – .5 oz. yields 40 projects
 BC161-20 – .5 oz. yields 40 projects
 BC171-20 – .5 oz. yields 40 projects
 BC533.1-20 – .5 oz. yields 40 projects
 CF1009F-20 – 2 oz. yields 10 projects
 GBS6-100 – 1 per project (Case of 6)
 ST540 – 6.75" square sheet yields 90 projects

Price Per Camper : ~\$5.24
