CN142-16 Bright Aqua
CN244-16 Really White
CN253-16 Dark Black
CN501-16 Neon Yellow
CN504-16 Neon Orange
PB26398 Pure Brilliance Dipping Glaze

SUPPLIES

Assorted Paintbrushes
Water
Water-based Marker

INSTRUCTIONS

1. Light wipe ware with a damp sponge to prepare surface for painting.
2. Lightly sketch the emoji design onto the tile surface with a pencil or water-based marker.

TIP: Use the sample emoji design as a guide when sketching the design, or encourage campers to create their own emoji characters!

3. Paint the emoji face shape with 3 coats of Neon Yellow.
4. Fill in the teeth area with 3 coats of Really White.
5. Paint the background corner areas with 3 coats of Neon Orange.
6. Fill in each tear shape with 3 coats of Bright Aqua.
7. Fill in the eyes and eyebrows with 2-3 coats of Dark Black.
8. Use 2-3 coats of Dark Black to outline the teeth area and to fill in the remaining area of the mouth.
9. Paint the edges of the tile with 2-3 coats of Dark Black. Let dry.
10. Once complete, dip project in Pure Brilliance clear glaze and fire to cone 06.

*** This kit includes enough materials needed to create 50 of these projects. Let your campers get creative with paint colors and tools to create their own unique project!**

Avg. Price Per Camper : \$3.00
