INSTRUCTIONS

1. Lightly wipe ware with a damp sponge to prepare surface for painting.
2. In the left section of the dish, with a waterbased marker, sketch a line separating the bird's head and body area.
3. Sketch rows of scale-like feather designs in the body area with a waterbased marker.
4. Fill in the head area with 2 coats of Sunburst.
5. Alternate using 2 coats of Mandarin Orange and Mediterranean Blue to paint the feathers on the body.
6. Fill in the feather (right) section of the dish with 2 coats of Mediterranean Blue.
7. Using a detail brush and 2-3 coats of White, add accent lines to the right feather section of the dish. Use the same color to outline the feathers on the body design.
8. Paint the inner and outer edges of the dish, as well as the bottom surface of the dish, with 2 coats of Royal Blue.
9. Dip completed project in clear glaze and fire to Cone 06.
