INSTRUCTIONS

1. Lightly wipe ware with a damp sponge to prepare surface for painting.
2. Start by sketching small circles onto Contact Paper. Cut them out and scatter randomly around your saucer.
3. Using a round brush, paint 2-3 solid coats of Bright Pink on your saucer.
4. Once dry, lift the egg shapes with a straight pin. Using a detail writer filled with Dark Black, decorate each egg shape with different patterns. You may also choose to use EZ-Dotz or a thin brush to decorate your eggs.
5. Paint the mug with 2-3 solid coats of Light Saffron.
6. To create the Chicky's face, paint two little dots halfway down the mug. Then, using Bright Tangerine, paint a small triangle nose and two little feet.
7. Let dry. Dip in Pure Brilliance Clear Glaze. Fire to cone 06.
