## Instructions

1. Paint the outside and bottom of the mug with 1-2 swishy coats of Old Lace.
2. Paint organic shapes on the mug using Tiger Tail, Melon-choly, My Blue Heaven, and Jack O Lantern. Painting only 1-2 coats will keep these shapes transparent.
3. Paint the inside of the mug with Jack O Lantern.
4. When the outside is dry, sketch vines randomly around the mug.
5. Use a liner brush to fill in the vines with Basketball. Let dry.
6. Paint an outline of the vine using Tuxedo. Do not outline directly over the Basketball vines, but slightly to the left or right.
7. Outline a few of the shapes with Tuxedo and add Tuxedo marks around the mug.
8. Splatter the inside and outside of the mug with thinned Tuxedo.
9. Clear glaze and fire to cone 06.
