

Spunky Lunch Set

Design courtesy of Bisque Imports

This bright little lunch set will jazz up any meal. We love how simple and fun the pop up sponges make decorating bisque!

MATERIALS

770 Luncheon Set
CN061-8 Light Salsa
CN211-8 Light Taupe

TOOLS

Assorted Royal Aqualon Brushes
Paint Dotters
Pop-Up Sponge
Sharpie
Scissors
Water

INSTRUCTIONS

1. Lightly wipe ware with a damp sponge to prepare surface for painting.
2. Create shapes with the Sharpie on the Sponge, keeping in mind they should be no bigger than three inches long, then cut them out.
3. Dip sponge shapes in water so they expand; squeeze out excess water.
3. Paint bottom of tray with 2-3 coats of Light Salsa.
4. Once dry, turn piece over and create an arrangement of repetitive shapes. You can also use any size paint dotter to create dots. Alternate between Light Salsa and Light Taupe.
5. Dot the inside of the mug with Light Salsa. Paint 2-3 coats of Light Taupe on the outside of the mug, leaving the bottom inch bare.
6. Clean off any excess paint on the rim of the mug or tray using water and a sponge.
7. Dip in Clear Brilliance and fire to Cone 06.
