INSTRUCTIONS

1. Lightly wipe ware with a damp sponge to prepare surface for painting.
2. Using the medium sized paint dotter, dab Light Grey dots all over the holder.
3. Once dots are dry, using the next smallest sized dotter, dab into Bright Wintergreen. Then place dotter inside the larger Light Grey dot to create a layered look.
4. Paint the letters you selected with Sunflower.
5. Dip in Clear Brilliance and fire to Cone 06.
6. Once fired, attach Tag-Alongs with E6000 glue.
